1.) i Splash screen :- Customer App

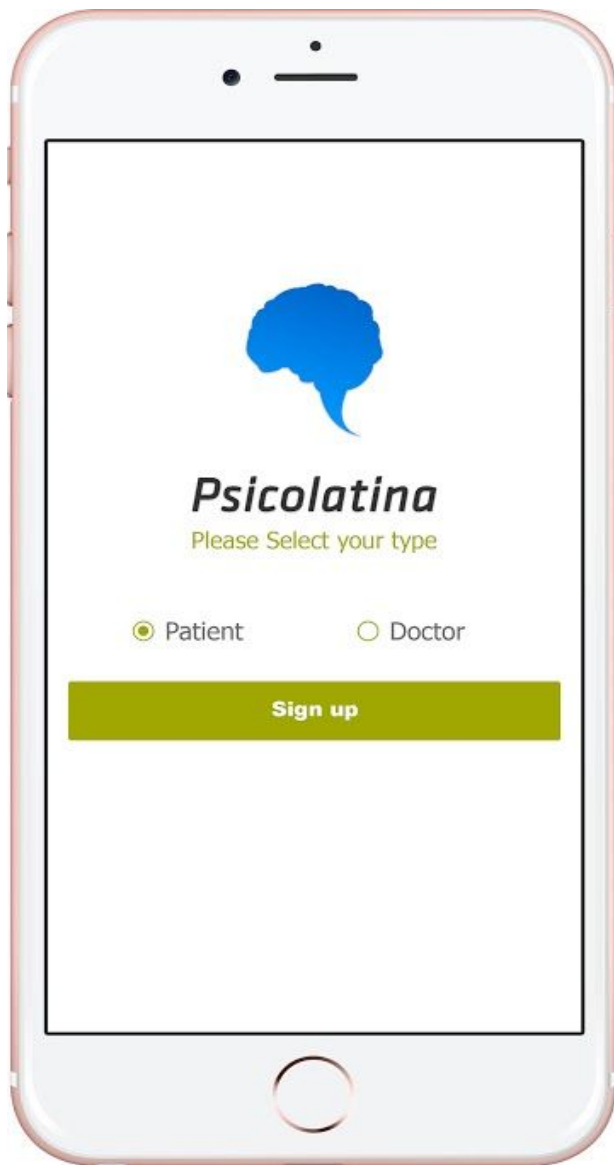

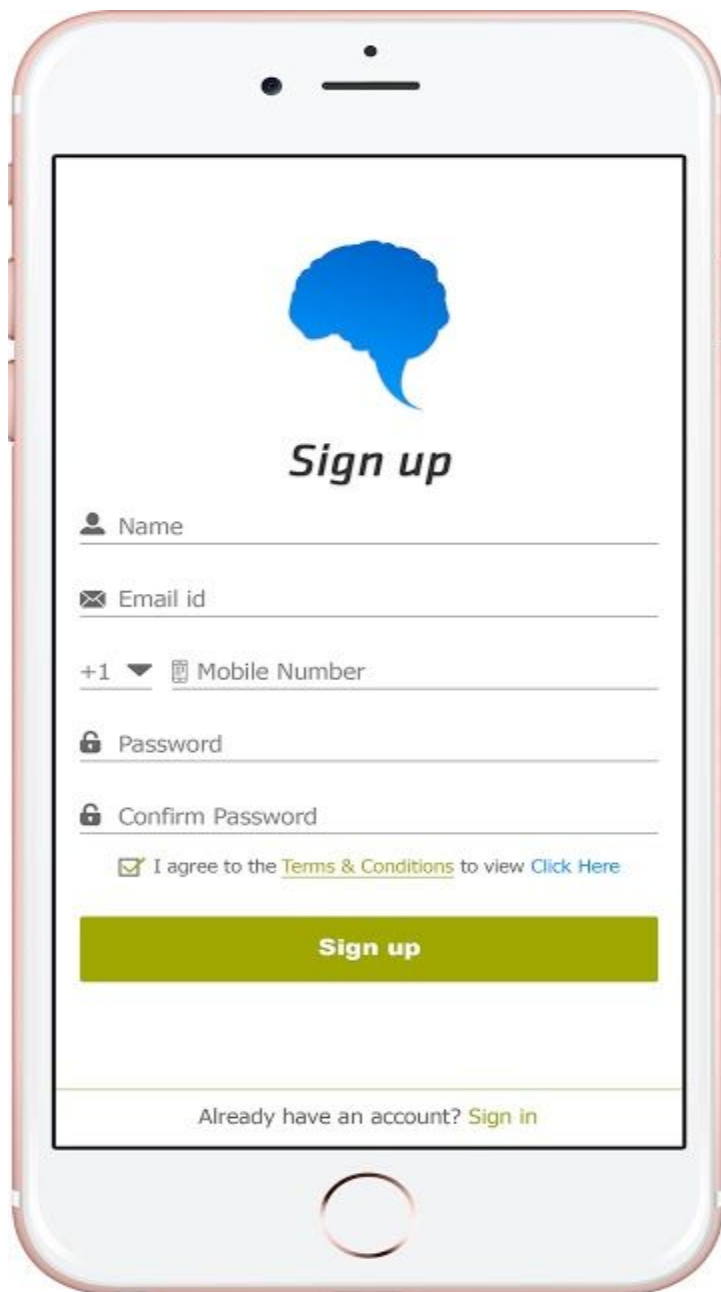

This is splash page for customer app .

2- SignUp Page for Customer App

3-OTP Verification

Customer Profile Page-

Here signup process will be completed, after this customer will go to dashboard with maps

Dashboard, -after signup, this page will come, where customer can see doc, and they can search doc by categories defined in doc profile ,
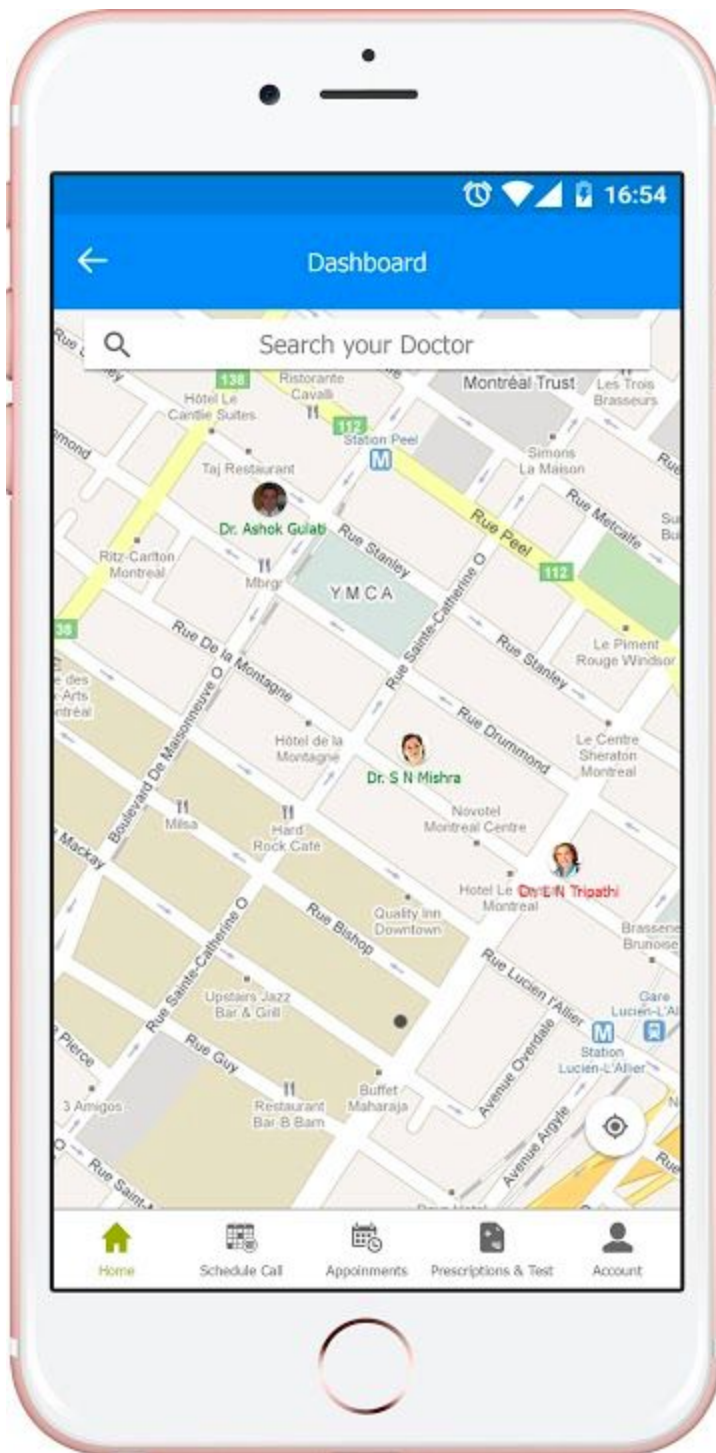

Doc listing- suppose customer search for cardiologist, list of cardi will appear same as given screen.
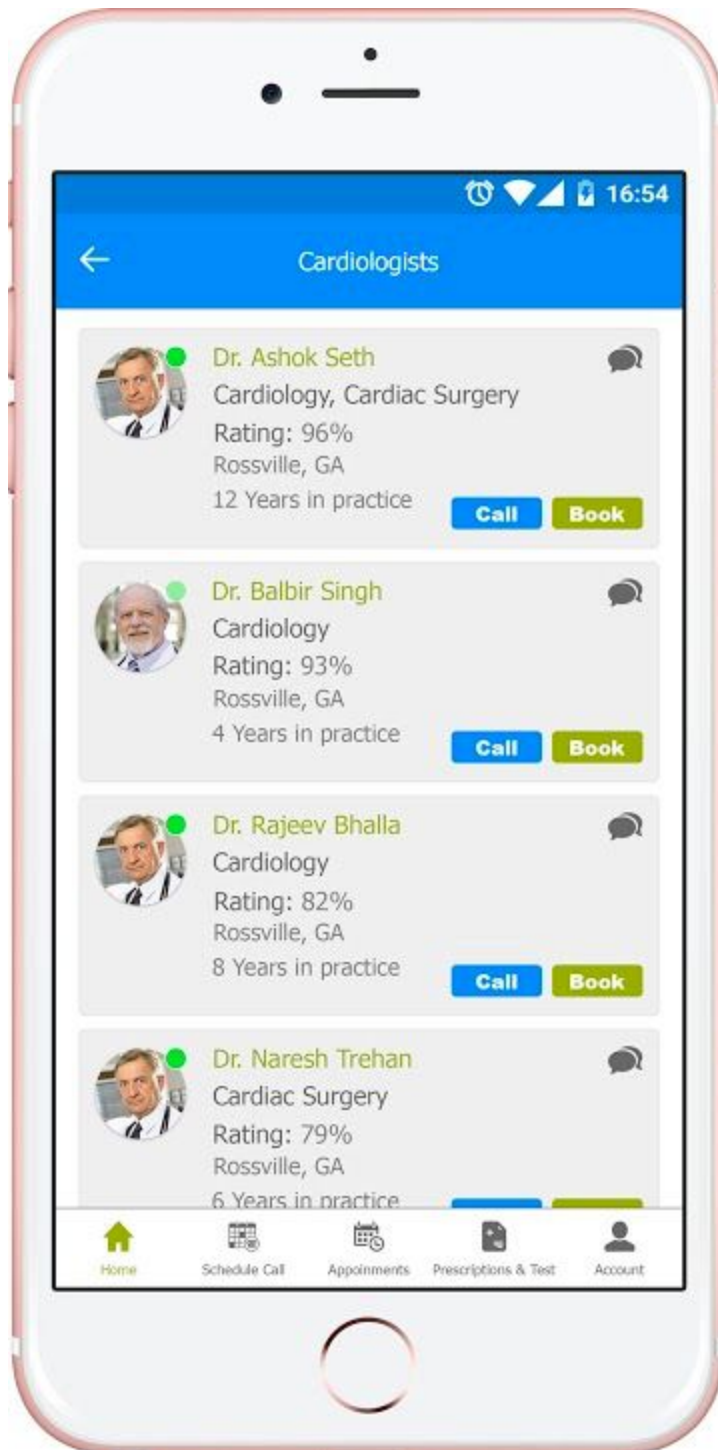

Pay before call- When they click on call call screen will come , but before that payment page will come
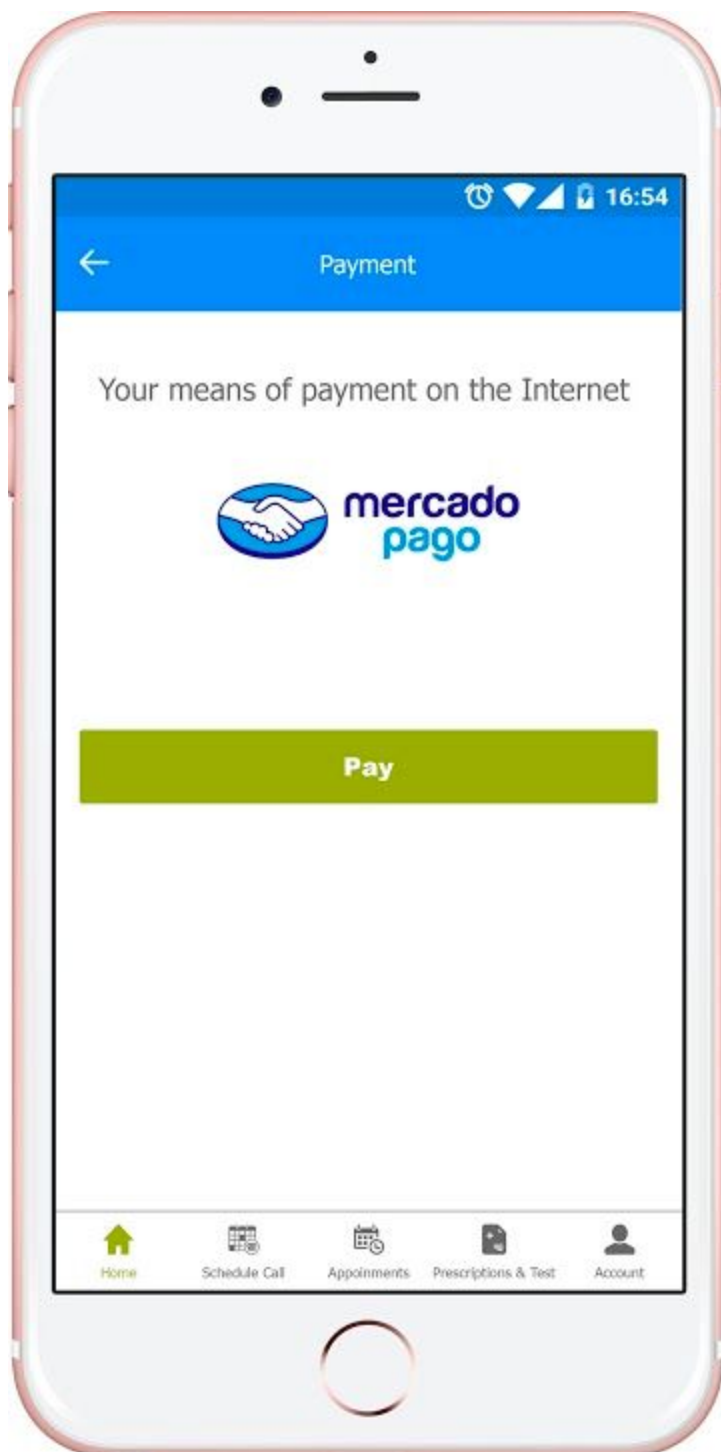

Once he pay then call will begain -
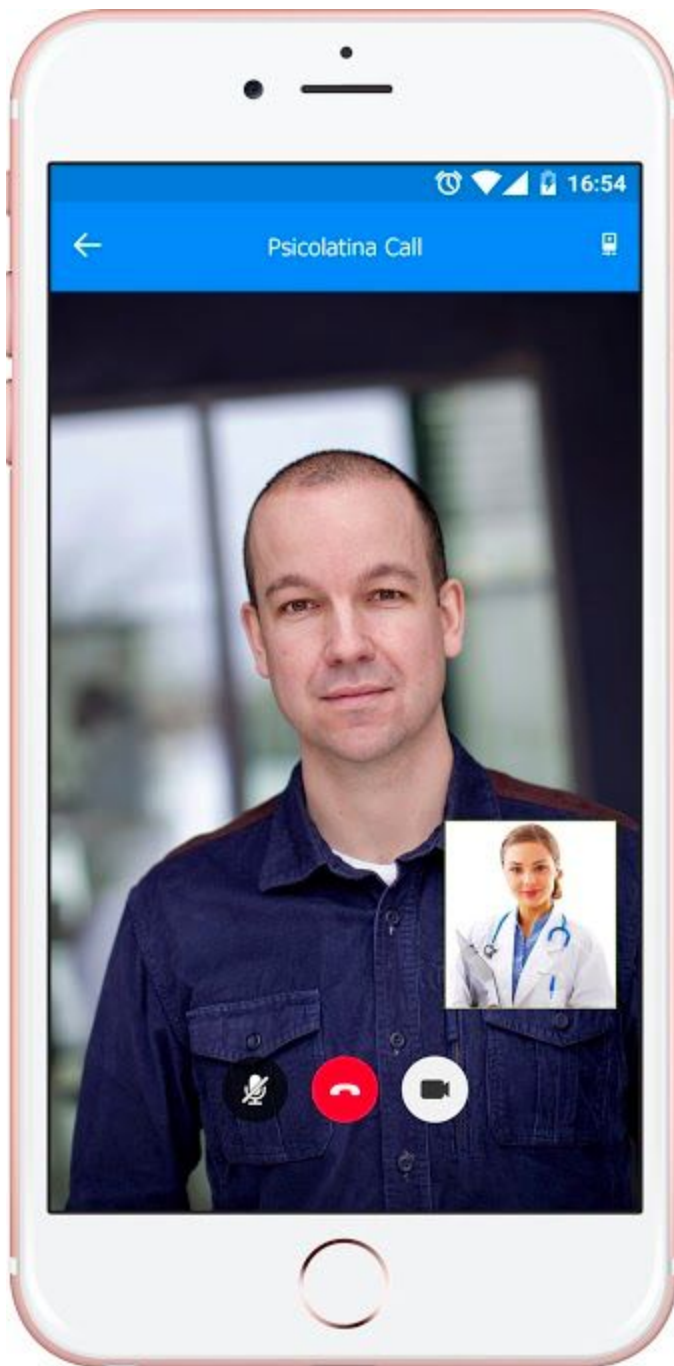

When customer click on chat then chat page will come but before that he need to pay again for that.

When customer will click on doc name doc profile page will come with rating-

I will send u screen in some time -DONE

16:54

Hire for: 1 day

Call **Chat**

A Little About Me:

Lorem Ipsum is simply dummy text of the printing and typesetting industry.
Lorem Ipsum has been the industry's standard dummy text ever since the
1500s, when an unknown printer took a galley of type and scrambled it to make
a type specimen book.

Address:

Lgf-9, Lotus Plaza, Vaibhav Khand, Tripathi nagar,
New Delhi, Pin code:110094

Doctor Rating:

Beautiful: 96%   Informative: 46%
Inspiring: 82%   Confusing: 10%
Courageous: 74%   Longwinded: 76%
Persuasive: 48%   Fascinating: 65%

When customer will click on Appointment , this page will come, if doc is avalaible on time slot, he can book, if he is not then the button will be static, i mean he cant book appointment at that time.
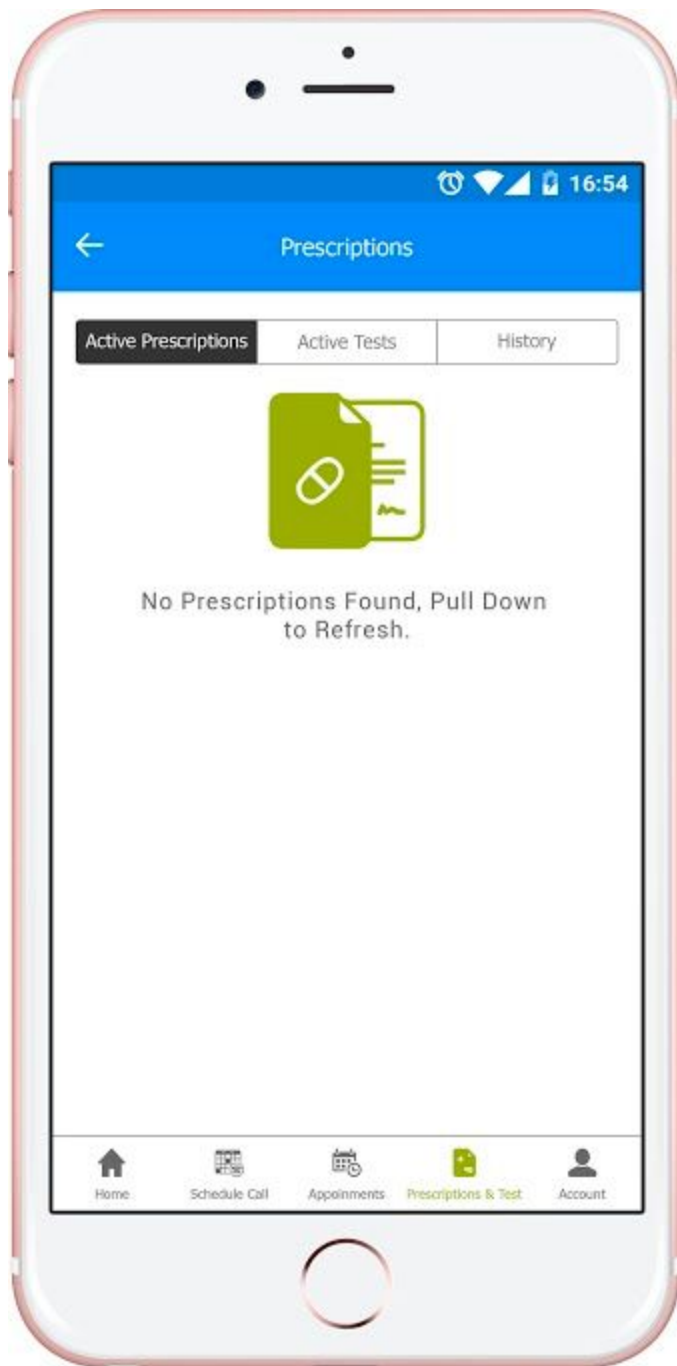

**After he book appointment , he can pay again for the booking confirmation**

Once the call is completed, he can rate the call, chat

Rate this Talk

Here's what everyone else thought:

Beautiful	66%	Informative	46%
Inspiring	38%	Cocfusing	30%
